

Lists & Registries: Advanced editing

Last Modified on 15/03/2023 2:56 pm GMT

In this feature, you can:

- Customize your list & registry section

To advance edit, do the following:

1. Login to your WebStore.
2. Go to **Edit Templates**.

Advanced editing

- The default NitroScript templates have been modified to enable you to add or modify the placement of the **Add to List** and **Move to List** buttons as desired: on the **Product Listing**, the **Product Page**, and the **Basket Page**.

```
Options Edit Current section: Basket Page

70 <input type="hidden" name="action" value="" />
71 {if (pageproperty["listsenabled"] || pageproperty["registriesenabled"])}
72 <input type="hidden" name="listId" id="listId" value="" />
73 <input type="hidden" name="newListName" id="newListName" value="" />
74 {endif}
75 </form>
76 {includeCarousel("recentlyvieweditems")}
77 {includeCarousel("specialoffer")}
78
```

- The **My Account**, **My Lists**, **List Page** and **List Password Required** pages can also be edited in NitroScript.

Warning: If you are not comfortable with editing HTML and do not have experience with web scripting languages, it is advisable to seek WebSell's assistance with changes to these templates.
