## Adding and editing accessories

In this feature, you can:

- Add new accessories to your products

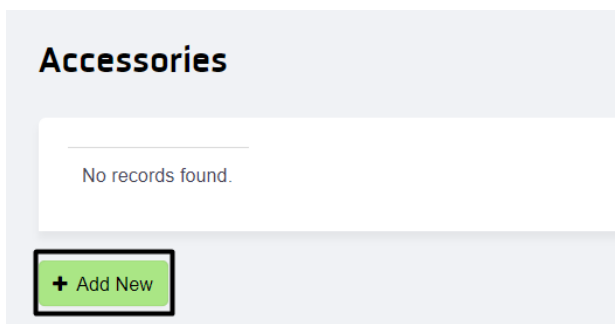

To view all products, do the following:

1. Login to your WebStore Manager.
2. Go to **Products > Product Details**.
3. Scroll to **Accessories**.

### Adding accessories

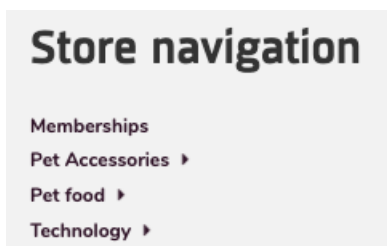

To add new accessories to a product, follow the steps below:

1. Click **Add New**.

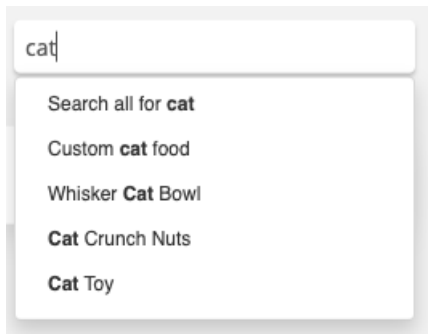

2. Search for the accessories you want to add by either:

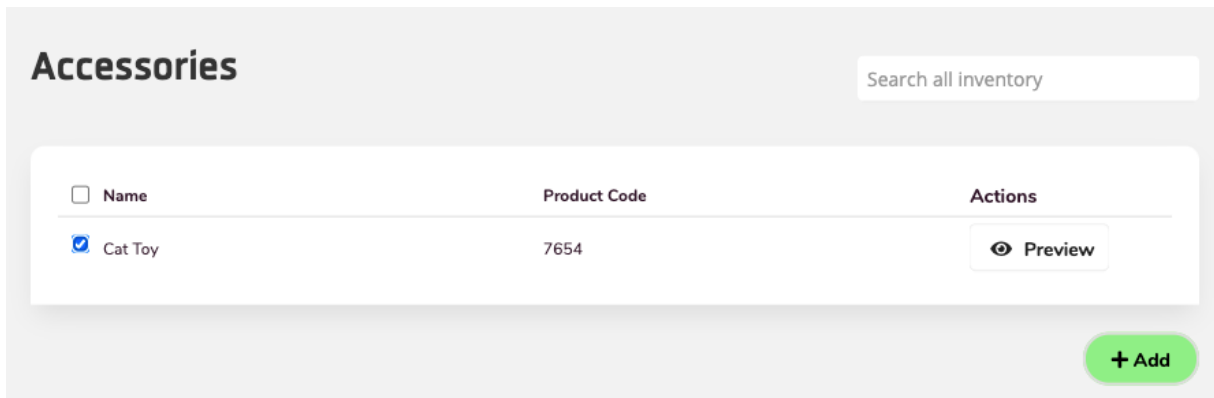

- Selecting the department and category from the store navigation on the left:

- Searching by keyword in the search box in the upper right corner:

3. Select the products you want to assign and click **+Add**.

Note: Make sure to click Add before going to another category or search for another product, as this will remove the previously checked products.

4. Once the products are selected they will be viewable under the **Accessories** section.

- To **Remove** a product click the X icon.
- You can **Showcase** an accessory by clicking on the star icon.
