

Virtual stores

Last Modified on 06/09/2023 2:38 pm IST

In this feature, you can:

- Create and view physical and virtual stores
- View FAQs

To create and view physical and virtual stores, do the following:

1. Login to your WebStore Manager.
2. Go to **Products > Multi-Store.**

Physical stores

- Depending on your multi-store license, you will have a number of stores enabled.
- A list of all your stores, both enabled or disabled, will be visible on this page.

Your multi-store license currently supports up to 2 stores. Ticking the checkbox will enable/ disable your store.

Store Name	Store Address	Store Status	Store Code
<input checked="" type="checkbox"/> Aurora Supermarket	, Mainstreet 77, FR	Active	S0001
<input type="checkbox"/> Aurora Fashion Store North	North Avenue 10010, FR	Not Active	S0003
<input checked="" type="checkbox"/> Aurora Restaurant	Longhorn Street 10, FR	Active	S0005
<input type="checkbox"/> Aurora Home Furniture	Southstreet 1000, FR	Not Active	S0009

- The list will provide store information such as store address, store status, and store code.
- Tick the checkbox provided to enable a store.

Virtual stores

- Virtual stores are sub-stores for which you can create page content and display a subset of the products available on your WebStore.
- A list of all your virtual stores will be visible on this page.

Virtual stores are 'substores' for which you can create page content and display a subset of the products available on your webstore.

Code	Name	Items Assigned	Password	Administrators
NCS	North Caroline Store	0	(None)	(None)
NYS	New York Store	0	(None)	(None)
MIS	Michigan Store	0	(None)	(None)
001	Virtual Store 1	4	(None)	(None)
002	Midwestworkwear	3	test	(None)
		Create Virtual Store		

- The list will provide information such as the number of items assigned, password, and administrators.
- Click Create Virtual Store to create a new virtual store.
- Click a virtual store to edit.

Editing a virtual store

When editing virtual stores, you can do the following:

- Change store details such as store name and store code.
- Add passwords and administrators.
-

North Carolina Store

Code:	<input type="text" value="NCS"/>	Name:	<input type="text" value="North Carolina Store"/>
Password:	<input type="password"/>		
URL:	<input type="text" value="https://ciara.demostore.nitrosell.com/store/home/15000005/North-Caroline-Store/"/>		
<input type="button" value="Save"/> <input type="button" value="Cancel"/>			

- Click **Add Items** to assign items to the virtual store.

9 Items:

<input type="checkbox"/>	Image	ILC	Name	Description
<input checked="" type="checkbox"/>		BATR001LGRNP1	Cloth T-Shirt Large Green	
<input checked="" type="checkbox"/>		BATR001XLBLKC1	Cloth T-Shirt Extra Large	

FAQs

Q. Is it possible to have different departments that are not linked through the navigation menu.

A: It's not possible with the virtual stores because they're a search result page of that same store and the main navigation is always displayed.
