

# Configuring shipping methods in WSM

Last Modified on 29/09/2023 2:22 pm IST

To make the the shipping method available on the web store, start by assigning a Shipping Carrier and service to a specific destination. While you can use the same shipping carrier for multiple countries, remember to assign it individually to each.

To set up a shipping method:

1. Open **WebStore Manager**.
2. Select **Fulfillment & Taxes > General Set-up** tab.

3. Click on a country to edit or choose **Add a new country**.

## Order Fulfillment & Taxes

Home » Order Fulfillment & Taxes

You can define what countries you ship to on your WebStore from this page. The current list is shown below - you can also **add a new country**.

<input type="checkbox"/>	Country Name	Code	Tax Config	Requires Zip Code?	Requires State/County?
<input checked="" type="checkbox"/>	Ireland	IE	Inherited (POS: Item Based)	No	No
<input type="checkbox"/>	United States	US	Inherited (POS: Item Based)	No	No

4. Select the country to which you want to add a new shipping method, scroll down and click **Add fulfillment method**.

Fulfillment Methods

Fulfillment Method	Assigned to
24h delivery - 24h delivery	Ireland
Delivery - New Service	Ireland
Pick up in Store - Pick up in Store	Cork

5. A new window will open up and you will be prompted to choose a shipping method created in POS that has been synced with the webstore. Choose the **Fulfillment Method** you wish to add from the drop down list.

## Add Fulfillment Method

Select the fulfillment method you wish to add:

Fulfillment Method:

Make available to:

Entire Country

Only customers from this state:

Only customers from this group:

6. If the country selected has counties or states created for it, you can choose to have the method apply to a specific county or state. Once you have selected the method and where it applies to, select **add method** to make it available for your customers.
