

New Product Customization

Last Modified on 15/07/2025 1:33 pm IST

Our new Product Customization Feature on the WSM enables you to effortlessly customize products with various options and add these changes across multiple products and categories.

Enable New Customization

1. Login to your WebStore Manager.
2. Go to **Products > Product Customization (new)**.

Manage Customisations

Home » Manage Customisations

3 found, displaying 1 to 3.

Show 10 Customisations

+ Add New CustomisationProduct AssignmentsChange Sort Order

Customisation ID	Customisation Name	Variant Count	Products Assigned	Actions
5	Sugar	2	4	View Edit + details Delete
25	Milk	4	2	View Edit + details Delete
19	Your name	1	2	View Edit + details Delete

There are three options available for you to choose from:

- Type: TEXT
- Type: SELECT
- Type: RADIO

Create a new product customization option

Steps:

1. Click **+ Add New Customization**.

Create a new customisation Option

Select type of option: Variants (Select) Fabric, size, engraving..

Add CustomisationClose

2. Select type of option you want to add:

- Selecting Variants (Select)

3. For the text type, you need to enter: Text title, Price change, Price and click **+Save**.

The screenshot shows a form titled "Add New Customisation Variants for:". It contains three input fields: "Text title:" (empty), "Price change:" (a dropdown menu with "Add" selected), and "Price:" (a text box with "0"). To the right of the "Price:" field is a "Delete Option" button. At the bottom left, there are two buttons: "+ Save" and "Close".

4. For the select type, you need to enter: Option title, Price change, Option Price. You can also **Add new option** or a few of them and click **+Save**.

The screenshot shows a form titled "Add New Customisation Variants for: Milk". It contains three rows of input fields. Each row has: "Option title:" (text box with "Regular milk", "Oat milk", and "Almond milk" respectively), "Price change:" (dropdown menu with "No Change", "Add", and "Add" respectively), "Option Price:" (text box with "0", "1", and "2" respectively), and "Default:" (checkbox). To the right of the "Default:" checkbox are three buttons: "Delete Option", "Up", and "Down". At the bottom left, there are two buttons: "+ Save" and "Close". At the bottom right, there is a button labeled "Add new option".

5. For the radio type, you need to enter: Option text, Price change, Option Price. You can also **Add new option** or a few of them and click **+Save**.

The screenshot shows a form titled "Add New Customisation Variants for: Sugar". It contains two rows of input fields. Each row has: "Option Text:" (text box with "Add Sugar" and "No sugar" respectively), "Price change:" (dropdown menu with "No Change" and "No Change" respectively), "Option Price:" (text box with "0" and "0" respectively), and "Default:" (checkbox). To the right of the "Default:" checkbox are three buttons: "Delete Option", "Up", and "Down". At the bottom left, there are two buttons: "+ Save" and "Close". At the bottom right, there is a button labeled "Add new option".
